Discover the features

## Your favorite apps at your fingertips.

Access the whole Google Play Store with our Google-enabled bundle, offering seamless access to thousands of apps. Customize your i3SIXTY 3 experience with easy, three-tap app installations, making it a versatile tool for any task.

## The ultimate pen to paper feeling.

The i3SIXTY 3's capacitive touch technology elevates touchscreen precision to mirror a pen-on-paper experience, making every tap and swipe quick and accurate. This intuitive technology supports multi-touch gestures, simplifying complex interactions and making the user experience feel natural and fluid. It's ideal for enhancing communication and collaboration, turning every session into an engaging experience.

## Instantly Teams-Ready.

Equip your i3SIXTY 3 with an optional camera and mic to transform it into a Microsoft Teams-ready device in seconds, or take advantage of the USB-C connection for audio, video, camera, touch and charging (BYOM). Perfect for turning any meeting into a collaborative, high-quality video conference.

## Mobility meets versatility.

Quickly adapt any space for collaboration with the i3SIXTY 3's mobile stand with enlarged wheels and slim 50-inch display. Its assisted rotation feature allows you to optimize viewing angles, making even the smallest spaces into effective meeting points.

## Display features

### EDLA

Google certified device, quarterly security patches, Google Play store, Google workspace.

### Work faster

Take advantage of the advanced Octa-core Android engine because the more powerful and updated your processor, the faster your display can complete its tasks. By getting a more powerful processor, it can help you work faster.

### 90° screen rotation

Toggle between landscape and portrait mode to optimize visibility of your content.

### Capacitive touch

The capacitive touch technology creates an incredibly responsive and natural touch experience and a sleek, high-end aesthetic.

### Mobile stand

Turn any area into a collaborative workspace with the wheeled, mobile stand.

### Just one cable

The i3SIXTY 3 allows devices with a USB-C connection to be connected to the screen with one cable for image, audio, touch, and camera.

### i3STUDIO

Our interactive displays are pre-installed with i3STUDIO. i3STUDIO delivers everything you need to accomplish your best lesson, pitch, presentation or brainstorming session. Leave the room dazzled.

### Rotation-supported camera

Maximize your screen real estate - With i3SIXTY you can choose the appropriate orientation - portrait or landscape providing you the optimal screen real estate during a video conference.
